**Delivery available**

\*Charge Based on Location

**TEL: 404-3700**

**FAX: 404-3701**

Thai food is widely known for being hot and spicy since almost all Thai food is cooked with basic ingredients such as garlic, chillies, lime juice, lemon grass and fresh coriander leaf and fermented fish sauce (nampla) or shrimp paste (kapi) to make it salty.

Please inform your server of any special menu requests in terms of spiciness or allergies.

**Prices subject to change without notice**

**Thank you for your patronage**
